Protection of privacy

At the time of conclusion of the agreement, the personal data of the participant (name, address and credit card account details) is transferred to Audiocation using secure 256-bit SSL encryption. Audiocation processes and stores this data in accordance with the legal provisions of the German federal data protection law (BDSG) and the Tele Services Data Protection Act (TDDSG).

The data will not be made available to third parties unless necessary for the fulfillment of the contract. The participant has the right to receive free information about their stored personal data, and to revoke consent for the future storage of their data at any time by contacting the address stated in the provider.
